

SPONSORSHIP OPTIONS

SCHOLARSHIP SPONSOR

Sometimes life's challenges prohibit families from participating in competitive sports. At Kansas United we deny no one to participate for financial reasons. We understand financial difficulties, and our Scholarship program provides help to players who need it the most. By becoming a Scholarship Sponsor you will be able to directly sponsor a player, that could otherwise not be able to participate, for an entire year. Your sponsorship will help a child join a program dedicated to mentoring and coaching about the game, and about life, as well as providing basketball at a competitive level.
